

OSUSBC WOMEN'S CHAMPIONSHIPS
TOURNAMENT BOWLER SURVEY – 2009
RESULTS

1. We have traditionally given each bowler a small gift at check-in. Last year it was a Thank You lapel pin, this year it's a ball point pen. The cost to the tournament is about \$600.00. Would you prefer to continue to receive a small gift, or would you prefer that the money spent on the gifts be added to the prize funds?

599 Give gift to each bowler 414 Add money to prize fund

2. This question is for bowlers who are entered in Division 1 in any event. This year we added \$10.00 per bowler to the entry fee for Division 1 to create a bigger prize fund for that division. (We traditionally have the lowest number of entrants in Division 1 and consequently, the smallest prize fund.) Would you prefer to continue with the added \$10.00 or pay the same as the other divisions?

Are you entered in Division 1? If not, please skip this question.
